Raspberry

Semi sweet raspberry wine.

The ruby colour, natural raspberry smell and the bouquet make this wine complete.

This wine contains no sucrose or any sweeteners. We recommend it to drink at 14 °C. Could be used with foods, also recommended for desserts, or is also delicious consumed alone as well.

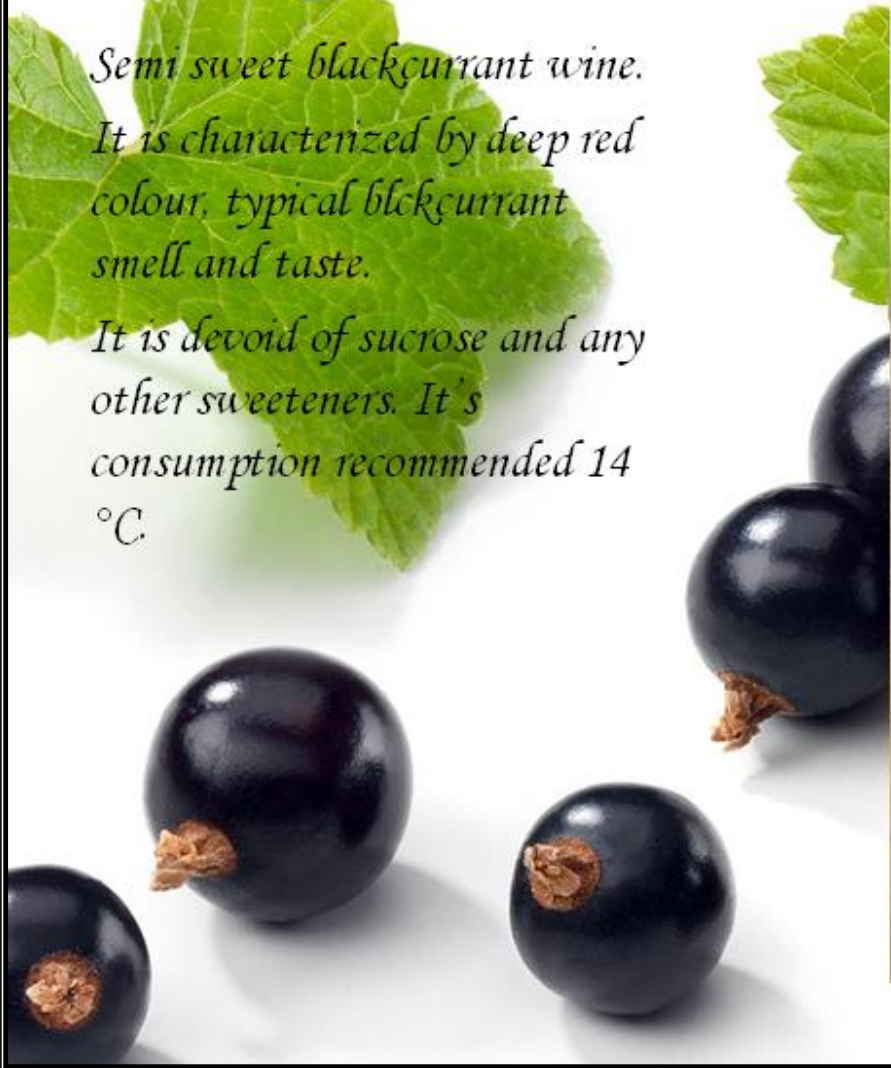

Ideal party wine.

Blackcurrant

*Semi sweet blackcurrant wine.
It is characterized by deep red
colour, typical blackcurrant
smell and taste.*

*It is devoid of sucrose and any
other sweeteners. It's
consumption recommended 14
°C*

Cherry

Semi sweet cherry wine.

The crisp taste, smell and red colour of the cherry makes this wine excellent. Contains no sucrose or any sweeteners.

*Ideal consumption is at 14 °C
Could be used for foods, with wild dishes, or alone as well.*

Strawberry

Semi sweet strawberry wine.

Light red coloured, natural strawberry wine with intense beautiful aroma.

This wine contains no sucrose or any sweeteners. We recommend it to drink at 14 °C for desserts but it is delicious alone as well.

Szigetvin winery is a family owned, medium large winery since 1996 in Hungary. The fermentation and storage capacity of the company is 6million litres. 75 % of the production sales the winery for export to many countries over the world. The family has a special, unique product-fruitwines, which are made by 150years old family recipe.
